Dan Scott talked about the Transportation Lobby Day in Olympia on Tuesday 2-6-07, that Bill Weber and Kristin Kinnamon attended. More information can be found on the Club's website.

Bike Expo, Feb 10-11. Mike Dahlstrom is still looking for volunteers. You receive free admission for a few hours of your time.

Bill Weber received several emails about the article in the newsletter about his suggestions on the Frequent Rider Miles Program. Send Bill an email if you would like to be heard and let him know if you have any ideas on how it should be changed. Bill will wait until April to make his decision.
