Advocacy Meeting at Zippy's java Lounge in Everett. Warren Bare, Mike Dahlstrom and Kristin Kinnamon met at Zippy's earlier in April to discuss bike map issues, county construction projects and legislative bills in motion. Future meetings are being planned for talks with City and County officials regarding pushing up certain projects that affect cyclists. Meeting will begin with Steve Thompson, Public Works; no date selected.

Ongoing negotiations between King County and Private Developers for the Eastside Corridor trail and rail project. The trail would extend from Renton to Snohomish.

Healthy Communities meeting will be attended by Bill Weber. Warren is a volunteer with the Lynnwood branch of same. He explained how it works, what goals are.

Money grant total is set at \$3,000 for this year. A call for grants will go out soon.

Rhapsody ride discussed.

Meeting concluded at 8:30pm
